ANNUAL

Meeting of the State Game Association to Be Held at Fairmont.

Plans are now being completed for the holding of the annual convention of the West Virginia Fish and Game Association at Fairmont. The date of the annual meeting is December 4 and 5 and if the present plans are carried out the sessions will take place at Fairmont.

J. A. Viquesney is president of the association and John F. Phillips, of

Fairmont, is vice president. Fairmont sportsmen have invited the association to meet there this year and Mr. Phillips has received word that unless some radical changes are made in the present plans Fairmont will land the meeting.

The two-days' sessions of the association will close with a big game dinner to be served at a hotel as a closing banquet and so confident is Vice President Phillips that the sessions will be held next month in Fairmont that he is now making arrangements for the big game dinner, the feature event of the gathering.
